**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It's extremely important to encourage competition. I, personally, rely on my internet connection at home since I frequently WFH. Reliability, speed, and cost are important. Previously, I was connected via DSL. Due to cost and speed, I researched alternatives and now have a fiber connection and am saving a considerable amount of money.

Please don't screw the "little guy" over. Protect competition.
